How to access to ePortfolio?

2. Google: ePortfolio umac

The screenshot shows a Google search interface. The search bar contains the text "eportfolio umac". Below the search bar, there are tabs for "All", "News", "Videos", "Images", and "More". The "All" tab is selected. Below the tabs, it says "About 2,910 results (0.35 seconds)". The first search result is "ePortfolio: Home" with a URL "https://eportfolio.umac.mo/". The text below the URL reads: "ePortfolio. Create. Develop your portfolio. Create your electronic portfolio in a flexible personal learning environment. Share. Control your privacy. Share your ...". There are two sub-links: "Log in to ePortfolio" and "About". The "Log in to ePortfolio" link has a description: "Skip to main content. ePortfolio. Fields marked by '*' are ... Log ...". The "About" link has a description: "About. Mahara is our current e-Portfolio platform, which ...". At the bottom, there is a link "More results from umac.mo »".

The screenshot shows the ePortfolio website interface. At the top left, there is the University of Macau logo and name in Chinese and English. At the top right, there is a language selection dropdown menu set to "Site default (English)" and a "Change" button. The main content area is titled "ePortfolio" and features three main sections: "Create" (Develop your portfolio), "Share" (Control your privacy), and "Engage" (Find people and join groups). Each section has a brief description. On the right side, there is a "Login" form with fields for "Username" (containing "mb54811") and "Password" (containing "*****"). A "Login" button is located at the bottom of the form. At the bottom of the page, there is a "Quick Links" section with various links: UMMoodle, Community, Portuguese Learning, Office 365 ProPlus, Poll Everywhere, Qualtrics, Turnitin, Veriguide, eLearning Home, ICTO Home, ICTO Knowledge Base, and UM Home.
