

## On the Use of eportfolio to Document Learning

By Emily Oon

Learning results from what the student does and think and only what the student does and think.  
The teacher can advance learning only by influencing what the student does to learn (Herbert A. Simon)

So, why using eportfolio to document learning?

1. It's free!
2. It provides a scaffolding framework to support learning: for use in-class discussion
3. It encourages students to be active learners: to comment, to give feedback on other works, to articulate their idea, etc.
4. In step with the use of technology: Mahara Mobile?
