

ONE

Students want knowledge

- I can't say how much I taught them, but I share knowledge with them.
- I will try to improve my knowledge

TWO

Learners are slipping away?

- I will respect every choice my students make.
- I will be grateful to every student who insisted to the end and listened carefully in class.

THRE
Technology

- WhatsApp
- Rain classroom

This slide features a background of repeating green leaf patterns. A white circle is centered on the right side, containing the text 'THRE' in large white letters and 'Technology' in smaller green letters below it. To the left of the circle, there is a detailed illustration of a green plant with several leaves. Below the circle, there is a bulleted list with two items: 'WhatsApp' and 'Rain classroom', both in green text.

THANK
YOU!

This slide features the same green leaf pattern background as the first slide. A white circle is centered on the right side, containing the text 'THANK' in large white letters and 'YOU!' in smaller white letters below it. To the left of the circle, there is a detailed illustration of a green plant with several leaves, identical to the one in the first slide.
